Re: Formal Approval of Form and Amount of Replacement Reclamation Surety, ECDC Environmental, ECDC Clay Mine, M/015/062, Emery County, Utah

Dear Mr. Olson:

On October 19, 1998, the Division Director, Lowell P. Braxton, formally approved the form and amount of replacement reclamation surety for ECDC Environmental's ECDC Clay mine. The reclamation surety in the amount of \$24,100 is in the form of a Surety Bond (#) issued by United Pacific Insurance Company. The replacement surety has been escalated to the year 2003. The Division hereby grants its final approval of this replacement reclamation surety.

Enclosed please find copies of the fully signed and executed Reclamation Contract and surety bond forms for your files. Also enclosed for your disposal are the original Reclamation Contract with the effective date of 6/24/93 and surety bond # in the amount of \$20,600 issued by the Insurance Company of the State of Pennsylvania, which has effectively been cancelled.

Thank you for your help in finalizing this permitting action. Please call me if you have any questions regarding this letter.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
